Tennessee's Bid Preference Law

This is to confirm the bid preference law for those contracting in other states bordering Tennessee. Our state requires the same of nonresident contractors as they do of resident contractors. This statute is found in T.C.A. 12-4-801 and states in part, should the bidder on a public construction project in this state be a resident of another state contiguous to Tennessee, a like reciprocal preference is allowed.

Attached is a copy of the law, under Tennessee Code Annotated, Title 12, Chapter 4 and Part 8. This may also be downloaded from the LexisNexis law resource at www.michie.com

Should you need information regarding the reciprocity agreements relative to obtaining a Tennessee contractors license, this information is available from our Board's website at: <http://tn.gov/commerce/boards/contractors/>
