

TENNESSEE SEX OFFENDER TREATMENT

BOARD POLICY NO. 9

CONFLICT OF INTEREST

Board Members

The Sex Offender Treatment Board recognizes the need to ensure that actual and perceived conflicts of interest are disclosed and addressed such that those conflicts do not affect the decision-making and operations of the Board.

Board members shall disclose any actual and perceived conflicts of interest if such matters could call into question the impartiality and/or decision-making of that board member.

Providers Accepting Payment from the Sex Offender Treatment Fund

If a Provider has had a professional clinical relationship with an offender, while working for the Department of Correction or on behalf of the Department of Correction, then said Provider shall refrain from having a professional clinical relationship with the same offender through the Provider's outside private practice.
