

Adobe Certified Associate (ACA) in Adobe Illustrator

Aligned Program of Study: Digital Arts & Design

Description

The Adobe Certified Associate certification is recognized by the industry as a proficiency credential in Adobe digital skills. Application skills in Adobe products are required in several careers with digital design duties. The Adobe Certified Associate in Adobe Illustrator exam covers entry-level skill expectations for graphic design and illustration which includes vector-drawing for creating scalable graphics. It allows students to demonstrate hands-on digital skills through a series of application problem-solving scenarios. An Adobe Certified Associate in Adobe Illustrator can be combined with other Adobe Certified Associate certifications to obtain a Specialist status.
