

TN Master Barber 1010

Aligned Program of Study: Barbering

Aligned Course:

- Barbering III (5974)

Description

- TN Master Barber - 1010 is a two portion exam: theory and practical.
- Once licensed, a barber performs one or any combination of practices listed for payment, directly or indirectly, or without payment for the public generally:
 - shaving or trimming beards, cutting, or styling the hair, giving facial and scalp massages or treatments with oils, creams, lotions or other preparations either by hand or mechanical appliances;
 - singeing, curling, shampooing, coloring, bleaching or straightening the hair, or applying hair tonics;
 - cutting fitting, measuring and forming head caps for wigs or hair pieces;
 - hair weaving (excluding medical or surgical procedures);
 - applying cosmetic preparations, antiseptics, powders, oils, clays or lotions to scalp, face, neck or other parts of the body;
 - or manicuring and nail care.
- A technician's license is available that permits a limited number of the above practices.

Materials and Resources

- Training materials and resources can be found on the PSI website here:
