

2017 Tennessee Educator Survey
High School and Bridge to Postsecondary Administrator Branch

Administrator Branch H: High School & Bridge to Postsecondary

AB_H1 Please indicate the extent to which you agree or disagree with each of the following statements about placement into Early Postsecondary Opportunities (EPSOs), including dual credit, dual enrollment, AP, IB, CLEP, or industry certifications, at your school.

	Strongly Disagree	Disagree	Agree	Strongly Agree
a. All students in this school capable of engaging rigorous coursework receive proper placement in these courses throughout high school. (Select one option)				
b. Teachers in this school have the necessary resources to prepare all students for EPSOs. (Select one option)				
c. Current placement practices ensure all EPSO-ready students in this school are enrolled into EPSOs. (Select one option)				
d. Students in this school are well-aware of support for the financial requirements of EPSOs (dual enrollment grant, testing waivers, discounts, etc.). (Select one option)				

AB_H2. Which of the following statements best describes your interaction with students in your school OUTSIDE of your regular administrative responsibilities? (Select one option)

- a. I provide guidance and advice for many students on a fairly even basis.
- b. I provide guidance and advice for a smaller group of students with whom I have more in-depth relationships.
- c. I prefer minimal involvement with students' non-academic matters.

AB_H3. Which of the following best describes the group of students with whom you interact most outside of your regular administrative responsibilities? (Please select up to two) (Please select at most 2 options)

- a. Students I have known for several years
- b. Students whose parents or other family members I know well
- c. Students who have excelled specifically in a particular subject area
- d. Students who have excelled across all their academic pursuits
- e. Students who participate in activities that I lead or advise (e.g., athletic teams, debate clubs, etc.)
- f. Students who have had significant behavioral challenges
- g. Students who have had significant academic challenges
- h. Students who have struggled socially at my school
- i. Other (Please Specify)

AB_H4. Considering the students with whom you interact most frequently outside of your regular teaching responsibilities, which of the following postsecondary-related topics do you discuss most with students? (Please select at most 3 options.)

- a. The range of credential types they can earn
- b. Using online resources such as CollegeforTN.org
- c. How to gather information and compare different schools and programs
- d. Applying to postsecondary institutions
- e. The cost of completing a postsecondary program
- f. Personal and family responsibilities that present obstacles to completing postsecondary
- g. How to manage personal and family responsibilities after enrollment
- h. None of the above
- i. Other (Please specify)s
