Continuous Learning Plans

- Question: The template refers to an on-line template, when will that be available? Also, will there be a district specific template with pre-populated fields?
 - **Response:** On June 22, 2020, the Tennessee State Board of Education promulgated the Continuous Learning Plan (CLP) Emergency Rule 0520-01-17 and Policy 3.210. Based on that rule and policy, the Tennessee Department of Education produced a template and rubric on June 26, 2020. The template is a PDF and not a “live” form in ePlan.
- Question: How do I find information for the CLP office hours?
 - **Response:** Districts or public charter schools seeking technical assistance in developing their CLP may utilize the department’s CLP office hours supports. During office hours, department staff focusing on supporting specific sections of the CLP template will be available to answer questions or provide support.
