200 Day Calendar

Extract Data Element	Format	Key	Description
Stockpile Professional Development Days	99		The number of days allocated by stockpiling that may be applied to instructional days in the calendar for professional development.
In Service Days	99v99		The number of days the district designates for discretionary In Service days.
Optional In-Service Days	99v99		The number of days allocated for individual choice of professional development activities
Parent Teacher Conference Days	9		The number of days allocated for parents and teachers to meet
Teacher Vacation Days	99		The number of days allocated for teachers paid vacation.
Abbreviated Days	9		The number of days allocated for instructional days that have been shortened to less than the state minimum school day of 6.5 hours.
Discretionary Teacher Vacation Days	99v99		The number of days the district designates for discretionary Teacher Vacation days.
Discretionary In-Service Days	99v99		The number of days the district designates for discretionary In-Service days.
Discretionary Administrative Days	99v99		The number of days the district designates for discretionary administrative activities.
Discretionary Instructional Days	99v99		The number of days the district designates for discretionary Instructional days.
Discretionary Other Days	99v99		The number of days the district designates for discretionary other days.
Instructional Days	9(3)		The number of days for classroom instruction.
Filler	X(20)		Reserved for future use. Must be spaces.

District Bus

Extract Data Element	Format	Key	Description
Record ID	9(3)		015
Record Version	99		04
Record Type	X(01)		New = N, Edit = E, Delete = D Must
Filler	99		be zero filled.
District ID	9(3)	Y	The ID number assigned by SDE must be a valid active public school district in SDE Directory.
School Year	9(4)	Y	The four-digit school year that the instructional program will be operated to provide instructional services to students. The year of the fall semester. Must be in format, "CCYY"
Bus Number	X(10)	Y	The number assigned to the bus, must be unique within the district for the school year.
Specially Equipped	X		Is this a specially equipped bus "Y" = Bus is specially equipped "N" or null or space = Bus is not specially equipped
Daily Miles One Way AM	9(4)		Daily one way A.M. miles traveled by all buses from where the bus is parked overnight to the last school drop off
Bus Type	X		Valid values are: <ul style="list-style-type: none"> • A = Type A • B = Type B • C = Type C • D = Type D
Year Bus Began Operation	9(4)		The school year the bus first became operational, format 2014- 2015 this will be stored as 2014.
Inspected by TN Dept of Safety	X		Y or N, was inspection by TN Dept. of Safety current
Privately owned	X		Y or N, is bus privately owned
Wheelchair Lifts	X		Y or N, does the bus have a wheelchair lift

District Bus

Extract Data Element	Format	Key	Description
Commercial Advertising	X		Y or N, is there commercial advertising on the bus
Total Number Accident	9(04)		The total number of accidents for this bus this year
Occupant Restraints	X		Y or N, is the bus equipped with occupant restraints
Two Way Communication	X		Y or N, is the bus equipped with two-way communications
Audio/Video Surveillance	X		Y or N, is the bus equipped with audio/video surveillance equipment
Type of fuel	X(6)		Gas, Diesel, CNG, ELEC, LNG
GPS System	X		Y or N, does the bus have a GPS system
Air Conditioning	X		Y or N, is the bus air conditioned
Personal Injury Accidents Treated and Released	9(04) 9(04)		Number of personal injury accidents Number of students treated and released
Hospitalized Overnight or Longer	9(04)		Number of Students hospitalized overnight or longer
Fatalities On Board	9(04)		Deaths on bus
Fatalities Off Board	9(04)		Deaths off bus
Property Damage Accidents	9(04)		Number of property damage accidents
Total Number of Safety Complaints	9(04)		Total Number of Safety Complaints on the bus. Must be zero filled If there are NO safety complaints.
Electronic Stability Control System	X		Y or N, Does the bus have Electronic Stability Control System. Cannot be blank.
Filler	X(11)		Reserved for future use. Must be spaces.

District Bus Staff

Extract Data Element	Format	Key	Description
Record ID	9(3)		016
Record Version	99		01
Record Type	X(01)		New = N, Edit = E, Delete = D
Filler	99		Must be zero filled.
District ID	9(3)	Y	The ID number assigned by SDE must be a valid active public school district in SDE Directory.
School Year	9(4)	Y	The four-digit school year that the instructional program will be operated to provide instructional services to students. The year of the fall semester. Must be in format, "CCYY"
Regular Drivers Substitute	9(04)		Number of regular drivers
Drivers	9(04)		Number of substitute drivers
Employed Bus Drivers with CDL	9(04)		Number of employed bus drivers with CDL
Contracted Bus Drivers with CDL	9(04)		Number of contracted drivers with CDL
Bus assistants	9(04)		Number of bus assistants
Bus Garage and Maintenance	X(01)		Does district own and operate a bus garage and perform bus maintenance
Mechanics Maintenance on Non-Bus Vehicles	X(01)		Does the bus garage mechanics perform maintenance on non-school bus vehicles
Full Time Mechanics	9(04)		Number of full-time mechanics employed by the district
Filler	X(20)		Reserved for future use. Must be spaces.

Instructional Program

Extract Data Element	Format	Key	Description
Record ID	9(3)		020
Record Version	99		01
Record Type	X		New=N, Edit=E, Delete=D
Filler	99		Must be zero filled.
District ID	9(3)	Y	The ID number assigned by SDE must be a valid active public school district in SDE Directory.
School ID	9(4)	Y	The ID number assigned by SDE must be a valid active public school within the school district in SDE Directory.
School Year	9(4)	Y	The four-digit school year that the instructional program will be operated to provide instructional services to students. The year of the fall semester. Must be in format, "CCYY"
Calendar Number	99	Y	The number for this school year the district has assigned to uniquely identify the calendar within the district (e.g. 01, 02) Traditional, year round. Valid values are: 01-99.
Instructional Program Number	99	Y	The number assigned to the instructional program to uniquely identify the instructional program within the school. For example, 01 = Traditional, 02 = Non-traditional (year-round), either may be any number between 01 and 99.
Instructional Calendar	X		Defines how the calendar will operate during the school year to provide instructional services to students. Valid values are: <ul style="list-style-type: none"> • T = Traditional • Y = Year Round (Non-traditional)

Instructional Program

Extract Data Element	Format	Key	Description
Student Day	9(3)		The length in minutes for a standard full-time day of instruction including lunch, for students in this program within the school. Do not confuse this with the Student Standard Day. Value is in minutes.
Teacher Day	9(3)		The length in minutes for a standard full-time day of instruction including lunch, for teachers in this program within the school. This is usually the student day plus the time teachers are required to be at the school both before student arrival and after student departure. Value is in minutes.
School Stockpile Professional Development Days	99		The number of days a school has designated as stockpile for professional development when the district did not declare Stockpiling. If district declared stockpiling this must be zero. This field is to be used only if the district does not stockpile professional development and the school elects to stockpile professional development.
Block Schedule	X		Does school use block schedule, valid values are: <ul style="list-style-type: none"> • School is on Block Schedule = Y • School is not on Block Schedule = N
Spring Block Begin Date	9(8)		If the school is on block schedule the day the spring block begins, format is CCYYMMDD. If school does not use block schedule value must be zeroes.
Filler	X(11)		Reserved for future use. Must be spaces.

Student Final Grade

Grade Assignment When Class was Taken	X(2)		See Appendix L – Instructional Grade for valid codes
Private or Out of State Transfer	X		Indicates that the course credit was transferred from either a private or out-of-state school. Valid values are: <ul style="list-style-type: none"> • Y = Transferred from private or out-of-state • N or Null = Not transferred from private or out of state
Filler	9(5)	Y	Must be zero filled (If not, EIS will generate error) Note: This was the “course code” field in the previous version
Local Course Number	X(15)		The local course number, usually an SDE course code plus the section number.
Credits Attempted	9v99		Number of credits the student attempted for the course, example: <ul style="list-style-type: none"> • One half credit (0.50) would be sent as 050 • One quarter credit (0.25) would be sent as 025 • One credit (1.00) would be sent as 100
Credits Earned	9v99		Number of credits the student earned for the course, example: <ul style="list-style-type: none"> • One half credit (0.50) would be sent as 050 • One quarter credit (0.25) would be sent as 025 • One credit (1.00) would be sent as 100 • No credits (0.00) would be sent as 000
Alpha Grade	X(2)		The alpha grade granted the student for the class. See Appendix V– Student Alpha Grade for valid values.

Student Final Grade

Numeric Grade	9(3)		<p>Numeric grade (final numeric grade including quality points awarded. Valid range is 0-105)</p> <ul style="list-style-type: none"> • This is the final numeric grade awarded and includes quality points awarded for the class. • Quality points awarded for the class must be entered in the Quality Points field in conformance with the Uniform Grading Policy.
Quality Points	9		The total quality points awarded for the course in conformance with the Uniform Grading Policy.
State Assigned Student ID	9(9)		The unique state assigned student id generated in the EIS System.
Course Code	X(20)	Y	Must be a valid SDE course code. If transferred from a private or out-of-state school, you must enter the equivalent SDE course code.

Note: Removed Filler X(20) field at the end of the extract - effective 2019-20
