There will be a public hearing before the Technical Secretary of the Tennessee Air Pollution Control Board to consider the pre-hearing draft of the Bristol Area Second 10-Year Lead (Pb) Maintenance Plan (2008 Pb NAAQS) under the authority of Tennessee Code Annotated, Section 68-201-105.

The hearing will be conducted as prescribed by the Uniform Administrative Procedures Act, Tennessee Code Annotated, Section 4-5-201 et. seq. and will take place at the date, time and location indicated above.

The public hearing has been called to consider the pre-hearing draft of the Bristol Area Second 10-Year Lead (Pb) Maintenance Plan. This pre-hearing draft of the Maintenance Plan was prepared in accordance with Section 175A of the Clean Air Act and the U.S. Environmental Protection Agency's (EPA) guidance documents. The Maintenance Plan includes an attainment emissions inventory, maintenance demonstration, monitoring data, verification of continued attainment, and a contingency plan. The First 10-year Lead (Pb) Maintenance Plan for the Bristol Area was approved by EPA on July 7, 2016. The Bristol Area Second Lead (Pb) Maintenance Plan, if approved, will last from 2025 to 2035.

All persons interested will be allowed to present testimony to the hearing officer regarding the Bristol Area Second 10-Year Lead (Pb) Maintenance Plan. Anyone desiring to make oral comments at this public hearing should prepare a written copy of their comments to submit to the hearing officer at the hearing. The hearing officer may limit the length of oral comments to allow all parties an opportunity to speak; and will require that all comments be relevant to the proposed Bristol Area Second 10-Year Lead (Pb) Maintenance Plan. Written statements not presented at the hearing will only be considered part of the record if received by close of business (4:30 PM Central) on Thursday, August 29, 2024, addressed to the office of the Division of Air Pollution Control at 500 James Robertson Parkway, 7th Floor, Nashville, TN 37243. Comments may also be submitted via e-mail to Air.Pollution.Control@tn.gov.

Individuals with disabilities who wish to participate in the hearing (or review the file record) should contact TDEC to discuss any auxiliary aids or services needed to facilitate participation. Contact may be in person, by writing, telephone, or other means, and should be made no less than ten working days prior to Thursday, August 29, 2024, to allow time to provide such aid or services. Contact the ADA Coordinator (866-253-5827) for further information. Hearing impaired callers may use the Tennessee Relay Service (800- 848-0298).

If it is hard for you to read, speak, or understand English, TDEC may be able to provide translation or interpretation services free of charge. Please contact Lida Warden at (615) 532-0554 for more information.

If you have any questions about the proposed Bristol Area Second 10-Year Lead (Pb) Maintenance Plan, you may contact Haidar Al-Rawi, P.E., by phone at (615) 532-0578 or by email at Haidar.Alrawi@tn.gov. Materials concerning the proposed action are available at <https://www.tn.gov/environment/ppo-public-participation/ppo-public-participation/ppo-air.html>.
