Subject: Notification of Class ¹¹ Modification
Tennessee Hazardous Waste Management Order Number 03-HCA002

Univar Solutions USA, LLC, located at 3 Riverside Lane, Chattanooga, TN 37406, is providing notice of the intent to submit a Class ¹¹ modification including an updated Part A to the Division of Solid Waste Management, Hazardous Waste Management Program, Hazardous Waste Permitting section located at the Davy Crockett Tower, 7th Floor, 500 James Robertson Parkway, Nashville, TN 37243 on December 26, 2024. As per Tennessee Hazardous Waste Management Rule 0400-12-01-.07(9)(c)5(i)(II) a Class ¹¹ modification may only be made with prior written approval. TDEC invites the public to submit comments on this proposed modification during a 30-day comment period ending on **Tuesday, February 4, 2025**. The modification request updates the following information:

- Part II: Provide that, no earlier than 90 days from this notice, ownership of the facility will be transferred to FNLRC Compounds Matter Too LLC; however, Univar maintains Environmental Liability for the property and continues to operate the facility and remains responsible as the operator under the order.
- Updated Part A Application for Order Number 03-HCA002 reflecting the change in ownership.

Further information on this matter may be obtained by contacting Steve Mersch at 423-504-5611.

To comment on the modification or updated Part A application, contact Brett Harris in DSWM's Central Office at the Davy Crockett Tower, 500 James Robertson Parkway, 7th Floor, Nashville, TN 37219 by phone at 615-393-9221, or email at Brett.Harris@tn.gov. **Comments must be received by 4:30 p.m. CST, Tuesday, February 4, 2025, to ensure consideration.** When submitting comments, please note the permit or order number on which you are commenting. The permittee's compliance history during the life of the permit being modified is available from the DSWM contact person.
