

North Memphis Demolition Landfill Major Modification Approved

The Tennessee Department of Environment and Conservation (TDEC), Division of Solid Waste Management (DSWM), has issued a permit major modification to Eco2 Development Recycling Center, LLC. The facility, identified as North Memphis Class III Landfill (DML790000109), is located in Shelby County at 382 Klinke Road, Memphis, Tennessee.

This permit would allow construction, operation, closure, and post-closure care of the Class III disposal facility for the disposal of farming wastes, landscaping and land clearing wastes, construction/demolition waste, shredded automotive tires, and/or certain wastes having similar characteristics and approved in writing by TDEC. No hazardous wastes, as regulated by the Tennessee Hazardous Waste Management Act (Tennessee Code Annotated, Section 68-212-101, et. seq.) and the Rules adopted pursuant to the Act, shall be accepted for disposal at this facility.

DSWM made the draft of this permit available for review during a 45-day public comment period which ended on July 22, 2024. DSWM received no oral or written comments during the above-mentioned public comment period.

The final permit is posted online. Visit tn.gov/environment/notices/north-memphis-landfill to access the facility information in the Dataviewer. Two locations also have paper copies available for review:
