

Cumberland Mountain State Park

24 Office Drive
Crossville, TN 37714

Restaurant Siding & Board Fence Replacement

General:

The Contractor shall be responsible for all labor, materials, and equipment necessary for this project at Cumberland Mountain State Park Restaurant. All work shall be done in accordance with the latest industry standards. Any deviations from this scope of work will be executed only after written approval is received. The Contractor shall be responsible for the safety and security of the site during this project. The Contractor shall use barriers where necessary. The Contractor shall be responsible for notifying park staff at the end of each day before leaving to ensure the site is secure. All containers and trash shall be removed and disposed of off state property. The Contractor shall visit site to obtain accurate measurements.

Licensing requirement: Full BC, or a BC-B, or a contractor with the subcategories of Carpentry, Framing and Millwork, etc. (BC-2); Glass, Window and Door Construction (BC-6), Lathe, Plaster, Stucco and Aluminum Siding (BC-8); Painting, Interior Decorating (BC-11); and Fencing (BC-30).

This project must be completed by April 20th, 2024.

Scope:

- A. The Contractor shall remove the wood siding from both ends, and on rear side of building and shall remove existing board fencing around the loading dock.
- B. The Contractor shall install 6-inch lap LP Smart siding. All siding shall be installed using #6 galvanized nails.
- C. The Contractor shall install 1-inch x 4-inch LP Smart siding trim on corners and around doors, windows, and gable trim. All trim shall be installed using #8 galvanized nails.
- D. The Contractor shall build new board fence that matches the fencing that is being replaced. Same size posts 4-inch x 4-inch and same size 1-inch x 6-inch boards as existing fence. All boards on fence shall be fastened using 2 ½ -inch galvanized screws.
- E. The Contractor shall caulk siding and trim with Dap 230 Duraflex caulking.
- F. The Contractor shall apply two coats of Sherwin Williams lifetime warranty paint on siding, soffit and fascia, front entrance porch, and all door and window trim on entire building (park staff shall choose paint colors).
- G. The Contractor shall paint new board fence with two coats of Sherwin Williams lifetime warranty exterior paint (park staff shall choose paint color).
- H. The Contractor shall remove and replace loading dock kitchen exterior doors with same doors as existing and prime and paint to match existing.

Additional Conditions:

This is a turnkey job. All aspects of this job shall be left in a finished condition: All finish work, interior and exterior walls and trim, finish painting, caulking and final cleanup are included in this contract.

All bidders are advised to visit site to verify all conditions and dimensions. No allowances shall be made by the agency due to any bidder neglecting to visit the site and verifying dimensions and conditions.

All bids over \$100,000 shall include provisions for a payment bond in the amount of twenty-five percent (25%) of the contract price.

Contractor shall be responsible for determining where all utilities are on the job site and care should be taken to protect the utilities from any damage caused by the demo/construction. This shall include any underground utilities around the job site area. If damage occurs, it shall be repaired within a 24-hour period from the time damage occurs.

Contractor shall perform work on regular time and shall invoice work time and material not to exceed the quoted price. Any variance in quote shall be addressed with a representative of Facilities Management, East TN Regional Office (ETRO) before additional work or materials are supplied.

Work shall be scheduled to avoid any interference with normal operation of the park as much as possible. During the construction period, coordinate construction schedules and operations with the agency. Work shall be conducted during the normal business hours of Monday through Friday, 8:00 a.m. to 4:30 p.m., unless approval for an alternate schedule is arranged with Facilities Management.

Successful contractor shall schedule and attend a pre-construction conference where a pre-construction form shall be signed by Facilities Management, Contractor and Park Manager or park representative before work can begin. Contractor shall also schedule and attend a final inspection where a final inspection form shall be signed by Facilities Management, Contractor and Park Manager or park representative before invoice shall be paid.

The contractor shall protect areas adjacent to his work and shall be required to repair any damage he may cause. Contractor shall protect work of other trades. Contractor shall correct any painting related damage by cleaning, repairing, or replacing, and refinishing as directed by Facilities Management.

Workmanship is to be warranted for not less than one year from date of final inspection. Materials shall be warranted as per manufacturer warranty.

All materials, equipment, and supplies shall be new and in good condition, UL listed when applicable, and all work accomplished in a manner acceptable to Facilities Management.

Submittals shall be required on all materials and shall be presented for approval by the State of Tennessee representative: Facilities Surveyor, Facilities Manager or Park Manager.

Clean up of the project site shall be the responsibility of the contractor. Contractor shall assure that job site is clean of nails, debris, etc., at end of each day to ensure safety. Contractor shall clean up and haul away all scrap when work is completed to an approved location off state property.

Contractor, employees, or sub-contractors shall be licensed, certified, or registered as required. They shall be registered in the State of Tennessee Edison purchasing system.

The contractor shall have a Certificate of Insurance on file with Facilities Management.

The State of Tennessee shall not be held liable for any damage, loss of property, or injury of personnel resulting from actions of the contractor and/or his/her sub-contractors or employees.

Contractor shall obtain all fees and permits required for project. Contractor shall have a copy of project specifications, permits, and certificate of insurance on project site at all times.

Contractor shall comply with all applicable codes, standards, and regulations in execution of project.

All work shall conform to the state's current approved codes, such as the International Building Code. All electrical and plumbing shall conform to the latest and most current codes. All Fire Marshall approved projects shall have a Certificate of Occupancy issued at the completion of the project. All ADA projects shall have approval of the State of Tennessee Facilities Design Coordinator and shall be in compliance with the latest ADA code at the completion of the project.

Invoice shall be submitted for payment within 10 days of project completion. A copy of the invoice shall be submitted to Facilities Management, East TN Regional Office, 160 State Circle, Rocky Top, TN 37769, or to deborah.g.smith@tn.gov.
