DEPARTMENT OF TENNESSEE WILDLIFE RESOURCE AGENCY

**INVITATION TO BID # 32801-12996
AMENDMENT #1
FOR TWRA Normandy Pond Liners**

DATE: October 16, 2023

ITB # 32801-12996 IS AMENDED AS FOLLOWS:

1. State responses to questions and comments below amend and clarify this ITB.

Any restatement of ITB text in the Question/Comments shall NOT be construed as a change in the actual wording of the ITB document.

PAGE #	QUESTION / COMMENT	STATE RESPONSE
	<p>1. Do you have an approximate size for the two pond liners?</p>	<p>TWRA Normandy Fish Hatchery is requesting to purchase 2 pond liners, which will cover the existing tan polypropylene pond liners. The two ponds are approximately 1 ½ acres each. The job is estimated to be approximately 78,000 square feet for each 1 ½ acre pond. This estimate is given for job sizing purposes only. Bidders are responsible for determining actual measurements and job requirements. TWRA will prepare the ponds for pond liner installation by cleaning the pond bottom of any substrate on the present liners if needed.</p>
	<p>2. Do you have a material in mind for the liners?</p>	<p>The contractor shall furnish and install a 45-mil thick, scrim-reinforced polypropylene liner. The geomembrane shall be manufactured by the calendaring process, consisting of first-quality ingredients, suitably compounded, of which polypropylene is the principal resin. The finished compound shall be uniform in color, thickness, size, and surface texture with maximum UV protection</p>

2. ITB Amendment Effective Date. The revisions set forth herein shall be effective upon release. All other terms and conditions of this ITB not expressly amended herein shall remain in full force and effect.
