Weight, plastic skid base: One hundred sixty-five (165) pounds

Awarded vendor shall be insured. Delivery and maintenance personnel shall also be insured.

Note: The Agency will use approximately 11 portable toilets per month and will be charged per portable toilet per month. A contract line will also be included for daily rental of additional toilets in the event same are needed in emergency situations such as loss of water to areas. In this event, any unit(s) requiring access through the sally port must be serviced between the hours of 6:00AM – 10:00 AM eastern time, as port is closed (no entrance or exit) for count at 10:30 AM. Units not requiring sally port access should be serviced between Monday-Friday between the hours of 6:00 AM and 2:00 PM. A consistent weekly service day will be determined at point of contract award.
