**1.1 Contract Scope**

1.1.1 This Contract, by and between the State of Tennessee, Department of Transportation (“State”), and a Contractor (“Contractor”), is for the provision of 55-inch flat-screen televisions, 65-inch flat-screen televisions, and mounting brackets on an as-needed basis throughout the term of the Contract. Unit price bids are requested on products that meet or exceed the specifications. The absence of detailed specifications or descriptions shall be recognized as meaning that only the best commercial practices prevail and that only first-quality materials and workmanship are to be used. All interpretations of specifications shall be made from this statement. It is understood that the specifications or references to available specifications shall be sufficient to make the terms of such specifications binding on the Contractor. Contractors must submit descriptive literature and technical specifications covering the products offered for bid evaluation. Reference to literature submitted previously will not satisfy this requirement.

1.1.2 Definitions – For purposes of this Contract, definitions shall be as follows and as outlined in the Contract:

- a. “4K” shall mean a horizontal resolution of around 4,000 pixels, commonly defined as a minimum of 3,840 horizontal pixels and 2,160 vertical pixels for television screens.
- b. “HDMI” shall mean High-Definition Multimedia Interface, a common interface that can transmit high-definition audio and video data simultaneously via a single cable from a source (e.g., computer) to a display device (e.g., television).
- c. “LED” shall mean Light-Emitting Diode, a semiconductor diode that emits light when conducting current and is commonly used in electronic displays, light bulbs, etc.
- d. “TDOT” shall mean the Tennessee Department of Transportation.
- e. “USB” shall mean Universal Serial Bus, a common interface that can transmit data between a host controller (e.g., computer) and a peripheral device (e.g., television).

**1.2 Purchase Order and Delivery Requirements**

1.2.1 Purchase Orders – Upon award of the Contract, the State shall submit purchase orders as needed throughout the term of the Contract. The Contractor shall not impose minimum purchases to process orders.

1.2.2 Equipment Delivery – The Contractor shall deliver the equipment at an agreed-upon time to the loading dock of the location(s) listed on each purchase order submitted throughout the term of the Contract. Delivery locations are defined in Section 1.2.5. Elevators and loading docks are present at each location. The State shall not provide the supplies necessary to deliver the equipment. The Contractor shall provision the supplies necessary to deliver the equipment prior to the scheduled delivery time.

1.2.3 Delivery Hours – The Contractor shall deliver the equipment at an agreed-upon time during the hours of 7:00 A.M. to 3:30 P.M., local time (Eastern Time or Central Time), Monday through Friday, excluding legal State holidays. State holidays are listed on the following webpage: <https://www.tn.gov/about-tn/state-holidays.html>.

1.2.4 Delivery Clearance – The State shall provide the Contractor with a point of contact for each location defined in Section 1.2.5. For deliveries to TDOT – Headquarters (Section 1.2.5.a), the Contractor shall contact the point of contact for delivery clearance at least 48 hours prior to the scheduled delivery time. The point of contact will check the availability of the loading dock and provide instructions for which loading dock or entrance to utilize.

1.2.5 Delivery Locations – Delivery locations include:

- a. TDOT – Headquarters  
James K Polk Building, 505 Deaderick Street,  
Nashville, TN 37243
- b. TDOT – Region 1  
7345 Region Lane,  
Knoxville, TN 37914
- c. TDOT – Region 2  
7512 Volkswagen Drive,  
Chattanooga, TN 37421

**Contract Specifications**  
**Flat Screen Televisions and Mounting Brackets**  
**Agency Tracking Number: 40100-47750**

- d. TDOT – Region 3  
6601 Centennial Boulevard,  
Nashville, TN 37243
- e. TDOT – Region 4  
300 Benchmark Place,  
Jackson, TN 38301

**1.3 Technical Specifications**

1.3.1 Flat Screen Television Specifications – Unit price bids are requested on products from two screen size classes: 55-inch and 65-inch. The proposed option for each class shall meet or exceed the following specifications:

- a. It shall have a flat-panel LED display.
- b. It shall have a minimum resolution of 4K (2160p).
- c. Shall have a minimum of three (3) HDMI inputs.
- d. Shall have a minimum of one (1) USB 2.0 input.
- e. Shall have built-in capability to connect to a wireless network.
- f. Shall have built-in capability to connect to a wired network.
- g. It shall be a 2020 model year or newer.
- h. Shall have a minimum manufacturer’s warranty of twelve (12) months.

1.3.2 Television Mounting Bracket Specifications – Unit price bids are requested on products that meet or exceed the following specifications:

- a. It shall be a tilting television mounting bracket.
- b. Shall support the weight and display size of all proposed television products.
- c. Shall have a minimum manufacturer’s warranty of twelve (12) months.
