AMENDMENT # 1  
FOR ANDERSON COUNTY STREAM REPAIR**

---

**DATE:** July 25, 2023

**ITB # 12848 IS AMENDED AS FOLLOWS:**

**1. State responses to questions and comments in the table below amend and clarify this ITB.**

Any restatement of ITB text in the Question/Comment column shall NOT be construed as a change in the actual wording of the ITB document.

ITB SECTION	PAGE #	QUESTION / COMMENT	STATE RESPONSE
Line 11		Please Explain Line #11 UOM as UNT and QTY 1.	The item only shows 1 unit because it is a lump sum item. It is done like that since vendors usually buy rock material by the truck load and not per the structure. Vendors will determine the actual rock volume requirements. There are eight constructed alluvial riffles proposed in the plans. Vendors are to use Line #11 to bid as lump sum.

**2. ITB Amendment Effective Date.** The revisions set forth herein shall be effective upon release. All other terms and conditions of this ITB not expressly amended herein shall remain in full force and effect.
