5. PROPOSAL EVALUATION & CONTRACT AWARD

Evaluation Categories & Maximum Points

The State will consider qualifications, experience, technical approach, and cost in the evaluation of responses and award points in each of the categories detailed below (up to the maximum evaluation points indicated) to each response deemed by the State to be responsive. The total maximum number of points a Proposer can achieve is 125 for Section A, Section B (based on treatment type proposed) and Section C-Budget Proposal) combined. **Proposers will only be awarded points for Technical Qualifications, Experience & Approach for the service type proposed. Proposers will not lose points for any categories they do not propose.**

EVALUATION CATEGORY	MAXIMUM POINTS POSSIBLE
General Qualifications Evidence (refer to RFP Attachment 6.2., Section A)	30
Technical Qualifications, Experience & Approach (Day Reporting Center) (refer to RFP Attachment 6.2., Section B)	70
Technical Qualifications, Experience & Approach (Intensive Outpatient) (refer to RFP Attachment 6.2., Section B)	70
Technical Qualifications, Experience & Approach (Residential Treatment Services) (refer to RFP Attachment 6.2., Section B)	70
Budget Proposal (refer to RFP Attachment 6.3.)	25

The RFGP Coordinator will review each proposal for compliance with all general RFGP requirements. Then, a Proposal Evaluation Team of at least three (3) procuring agency employees will review the Qualifications Evidence and any supporting documentation for each compliant proposal. For a proposal in response to this RFGP to be acceptable and eligible for contract award, all evaluators must determine that the Qualifications Evidence documents that the Proposer meets the mandatory qualifications and experience requirements and is otherwise, at least, minimally acceptable as a contractor for the subject services. The State will document, in writing, any determination (and the specific reasons therefore) that a Proposer's Qualification

Evidence failed to adequately address and document both compliance with mandatory requirements and acceptability for contract award.

The Proposer shall submit a separate budget proposal for **each** treatment type proposed. If a Proposer submits a technical proposal for more than one (1) treatment type, each treatment type will be scored separately with a 125 maximum total points combined for each treatment type proposed.

The RFGP Coordinator will identify proposals with technical proposal scores of **SIXTY-FIVE (65)** or above based on general qualifications evidence and technical qualifications, experience and approach combined scores. Budget proposals will be reviewed and scored for technical proposals scored **SIXTY-FIVE (65)** or above. The RFGP Coordinator will assess whether each identified Budget Proposal complies with RFGP requirements without qualification. The RFGP Coordinator will document, in writing, any determination (and the specific reasons therefore) that a Budget Proposal is non-compliant with requirements such that the Proposer is non-responsive to the RFGP.

3. **RFP Amendment Effective Date.** The revisions set forth herein shall be effective upon release. All other terms and conditions of this RFP not expressly amended herein shall remain in full force and effect.
