2 The Perinatal Telehealth RFGP asks that we include letters of commitment from our partners, including the Regional Perinatal Center's directors for the geographic area that will be covered. In that case, can we provide evidence that we requested the letter (i.e. e-mail request, etc.)?	Yes, you can include evidence of request for letter but also document any discussions about the project with the Regional Perinatal Center Director(s) and/or staff including their name(s). In addition, provide explanation about your current and future collaboration with the Regional Perinatal Center.
3 Are there specific kinds of commitments the state wants to see in the letter from the Regional Perinatal Center directors?	No. Your letter should explain how the Regional Perinatal Center can/will support the work outlined in your proposal.
