CMS ONLINE Provider Training

CMS has provided a web-based training course designed to assist providers with the implementation of the CLIA regulatory requirement.

Description

This training course is a web-based, self-paced course that takes approximately 30 hours to complete. There are 14 lessons in this course, covering such topics as regulation interpretation, compliance assessment and Principles of Documentation.

How to Access

The voluntary training can be accessed at <https://surveyortraining.cms.hhs.gov> and by following the instructions below:

- Select the “I Am A Provider” link
- Select “Course Catalog” in header
- Select “CLIA” in gray side box
- Click “CLIA Surveyor Basic Training” course
- Select “Launch the Course” button
