

**Tennessee Department of Human Services
Child Care Web Provider List
Readme File Details**

Updated November 15, 2024

This list of regulated child care providers includes those licensed by the Department of Human Services (TDHS) or approved by the Department of Education, as well as license-exempt Boys and Girls Clubs.

TDHS posts an updated Web Provider List on the 15th of each month. The detailed information about each provider, i.e., fee scales, scholarships, transportation, and environmental aspects may be updated throughout the year as monitoring visits are conducted by TDHS Licensing Consultants. If you are using this list in your search for child care, always check with the child care provider to determine whether any of the detail information has changed since it was last updated.
