
Court-Ordered Day Treatment Facilities, Rule 0520-01-15

The Background:

T.C.A. § 49-3-308 requires the State Board of Education to promulgate rules to ensure funding of educational services is provided by the local education agency (LEA) for students in court-ordered day treatment facilities.

This rule outlines the basic educational services required to be provided and the calculation of funds to be transferred from the LEA to the facility.

The Fiscal Analysis Impact:

T.C.A. § 49-1-212 requires that the Department prepare a fiscal analysis of any policy, rule, or regulation proposed to the State Board of Education. This item has no financial impact on an LEA beyond the requirement in law that LEAs transfer funds to court-ordered day treatment facilities.

The Recommendation:

The Department of Education recommends acceptance of this item on first reading. The SBE staff concurs with this recommendation.
