INSTRUCTIONAL BULLETIN NO. 14-10

Regarding Brick Catch Basins

Effective for the February 2015 Letting (December 3rd turn-in), brick catch basins shall no longer be used. The following Standard Drawings are voided effective December 3rd.

D-CB-12B, D-CB-13B, D-CB-14B, D-CB-16B, D-CB-25B, and D-CB-28B

In the event that a precast or cast-in-place catch basin cannot be use, brick catch basins may be an option following consultation with the Standards and Policy Office of the Roadway Design Division.

Jennifer Lloyd, PE
Civil Engineering Director
Roadway Design Division
