The Tennessee Department of Transportation seeks comments on Amendment #143 to the 2020-2023 State Transportation Improvement Program. Amendment #143 is for the amended Trousdale County Project Number 2085200, SR-141 north of SR-10 to near the intersection of Cedar Bluff Road. The project description includes a super two-lane on four-lane ROW, including turn lanes (on new alignment). The construction phase increased from \$79,000,000 to \$101,000,000 to this IMPROVE Act project in Fiscal Year 2023 Advance Construction Surface Transportation Block Grant (ACSTBG) funds. These ACSTBG funds may later be converted to 80 % federal STBG funds with 20% matching state funds. The project length decreased from 4.17 to 4.05 miles. The total cost of the project increased to \$101,000,000. The project map was updated to reflect the change. The project is to be managed and let to contract by TDOT.
