

NOTICE

The Office of Right-of-Way of the Tennessee Department of Transportation is seeking firms and individuals interested in providing services in connection with right-of-way acquisition for highway projects. The services involved are:

1. Removal or demolition of structures located in the highway right-of-way.
2. Routine maintenance of right-of-way: grass cutting, trash removal.
3. Protection services-protecting structures in the right-of-way from theft and vandalism.
4. Providing animal and pest control in highway right-of-way.
5. Providing real estate title reports and closing real estate transactions.
6. Providing cost estimates for moving personal property-commercial, industrial and residential moves.
7. Providing cost estimates for construction or reconstruction of all type of structures and other improvements.
8. Providing cost estimates for the relocation or adjustment of private utility service-septic systems, wells, water or sewer lines, and electrical service.

Firms or individuals interested in performing any of the above services within any of the above regions must provide written notification to the Transportation Manager 2 in the Region or Regions where consideration for employment is desired. This written notice should indicate the service or services to be offered. Individuals or sole proprietorships will be required, under penalty of perjury, to attest to their status as United States citizens or qualified aliens as defined by 8 U.S.C. 1641(b); and those who knowingly and willfully make false or fraudulent statements or representations regarding their status as United States citizens or qualified aliens are subject to liability under the False Claims Act, T.C.A. 4-18-101 et seq. Evaluation proceedings will be conducted within the established guidelines regarding equal employment opportunity and nondiscriminatory action based upon the grounds of race, color, religion, national origin, sex, creed, age, and disability. Interested certified Disadvantaged Business Enterprise (DBE) firms as well as other minority-and/or women-owned firms are encouraged to respond to all advertisements by TDOT. For more information on DBE certification, please contact the Civil Rights Office Small Business Development Program at (615) 741-3681. Details and instructions for DBE certification can be found at the following website:
