INSTRUCTIONAL BULLETIN NO. 02-10

Regarding List of Current Revision Dates for
Metric and English Standard Structure Drawings

Attached is a copy of the standard structure drawings list with revised dates. These drawings are **effective** for the **October 25, 2002 letting**. If the design manager responsible for the project chooses to use the revised version of any of these drawings in the July 26 or September 13, 2002 lettings, then all revised drawings with an underlined revision date must be printed with the plans. They shall be identified on the lower left-hand corner of the index sheet – **“To be printed with the plans”**.

This bulletin voids a portion of Instructional Bulletin 02-04.
