INSTRUCTIONAL BULLETIN NO. 02-11

Regarding English Pay Items

Attached is a new listing of item numbers, item descriptions, and units of measurement which are to be used with the March 1, 1995 Standard Specifications for Road and Bridge Construction Book.

This revised list is to be effective for all English construction plans beginning immediately.

If an item number is needed that is not included in the attached list, the Civil Engineering Manager 1 or Transportation Manager 1 should contact the Contract Specifications Office, Suite 700, James K. Polk Building, Nashville, Tennessee 37243 to determine if an item number will be assigned or included in another item.

See Instructional Bulletin 02-12 for metric pay item numbers.

This bulletin voids Instructional Bulletin 01-22.

A handwritten signature in black ink, appearing to read "Jeff C. Jones", is written over a horizontal line.

Jeff C. Jones, Civil Engineering Director
Design Division
