INSTRUCTIONAL BULLETIN NO. 23-14
Regarding Roadway Design Guidelines Release of Chapters 1 and 2 for PDN

Effective with the September 27, 2023, turn-in (December 8, 2023, letting), Chapters 1 and 2 of the Roadway Design Guidelines, the Project Deliverables Document, Special Provision Order Sheet, and the Functional Plans Checklist have been modified to align with the PDN process. The Project Delivery Network strives to provide a simplified, automated “roadmap” for our project delivery workflows. The Roadway Design Production Support Office will be updating our guidance documents to provide resources for this transition.

Projects will transition to the new Roadway Design Guidelines for PDN as stated in the instructional bulletin IB 23-12.

Shane Hester, PE
Engineering Director
